

Tuesday August 24			Wednesday August 25			Thursday August 26			Friday August 27								
09:00	Workshop 1. Cross cultural neuropsychology. T. Rune Nielsen	Workshop 2. ADHD treatment. Christina Mohr Jensen	09:00	Registration		09:00	Keynote: Sebastian Crutch Title: Visual deficits in dementia		09:00	Keynote: Duncan Astle Title: Cognitive development in a network neuroscience perspective.							
09:15			09:15			09:15			09:15								
09:30			09:30			09:30			09:30								
09:45					09:45	Welcome		09:45	Break		09:45						
10:00			10:00	10:00	10:00												
10:15					10:15	Keynote: Majken Nedergaard Title: Sleep, the glymphatic system, and brain disease.		10:15	Oral presentation	Oral presentation	Symposium Finland: Adaptive behavior and functioning. Chair: Riitta Hannonen	10:15	Break				
10:30			10:30	10:30	10:30												
10:45			10:45	10:45	10:45												
11:00					11:00	Pause		11:00				11:00	Oral presentation	Oral presentation	Invited symposium: Cognitive screening. Chair Ro J. Robotham		
11:15			11:15	11:15	11:15												
11:30					11:30	Keynote: Essi Viding Title: Development of psychopathology: How can neurocognitive and genetically informative research improve our understanding of environmental risk?		11:30	Lunch		11:30	Lunch					
11:45	11:45	11:45	11:45														
12:00	Break		12:00	Lunch				12:00			Keynote: Randi Starrfelt Title: Developmental prosopagnosia: What is it, and (why) should neuropsychologists care?			12:00	Symposium Norway: Modifiers of cognitive outcome: Somatic health, cognitive reserve and emotional regulation		Invited symposium: Mild Traumatic Brain Injury - Intervention Chair: Mille M. Thastum
12:15			12:15			12:15	12:15										
12:30			12:30			12:30	12:30										
12:45			12:45	Lunch		12:45	Break		12:45								
13:00	Workshop 3. Fatigue in brain injury Frederik D. LaCour & Jan Stubberud		13:00			Invited symposium: Early intervention in ADHD			13:00			Oral presentation	Oral presentation	13:00			
13:15			13:15						13:15					13:15			
13:30			13:30	13:30	13:30												
13:45			13:45	Symposium Denmark: Cross Cultural Neuropsychology Chair: T. Rune Nielsen		13:45	Symposium/Oral presentation		13:45	Symposium / Oral presentation							
14:00	Workshop 4. Sarah Jayne Blakemore (Pending COVID- restrictions)		14:00			Symposium Sweden: Neurocognitive Late Effects after Childhood Cancer. Chair: Ingrid T. Olsson			14:00			Oral presentation	Oral presentation	14:00			
14:15			14:15						14:15					14:15			
14:30			14:30	14:30	14:30												
14:45			14:45	Break		14:45	Symposium/Oral presentation		14:45								
15:00	15:00	15:00	15:00														
15:15			15:15	Break		15:15	Symposium/Oral presentation		15:15								
15:30	15:30	15:30	15:30														
15:45	15:45	15:45	15:45														
16:00	Informal meeting		16:00	Symposium Sweden: Neurocognitive Late Effects after Childhood Cancer. Chair: Ingrid T. Olsson		16:00	Invited symposium: Fatigue in acquired brain injury Chair: Frederik D. LaCour & Anne Norup		16:00								
16:15			16:15			16:15			16:15								
16:30			16:30			16:30			16:30								
16:45					16:45			16:45			16:45						
17:00			17:00	17:00	17:00												
17:15			17:15	17:15	17:15												
17:30					17:30			17:30			17:30						
17:45			17:45	17:45	17:45												
18:00			18:00	18:00	18:00												
18:15					18:15			18:15			18:15						
18:30			18:30	18:30	18:30												
18:45	18:45	18:45	18:45														
19:00	Informal meeting		19:00	19 - 21: Welcome reception: Copenhagen University Main Hall Frue Plads		19:00	18.30 - Conference dinner		19:00								
19:15			19:15			19:15			19:15								
19:30			19:30			19:30			19:30								
19:45			19:45			19:45			19:45								
19:45			19:45			19:45			19:45
